FROM : SA JAMES P. HOSTY, JR.

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Reference is made to memorandum of ASAC KYLE G. CLARK dated 9/29/64. In reply to my interviews with Mrs. RUTH PAINE concerning the location of LEE HARVEY OSWALD on November 1 and November 5, 1963, the following transpired.

On November 1, I contacted Mrs. PAINE at her residence and I was alone. At this time during the interview, I asked Mrs. PAINE if she knew where LEE HARVEY OSWALD resided or how he could be located. She furnished his employment, however was unable to furnish any additional information. She stated she would attempt to obtain the additional information and furnish same.

On November 5, 1963 I recontacted Mrs. RUTH PAINE and was accompanied by Special Agent GARY S. WILSON. This interview was conducted solely by me and Special Agent WILSON did not participate in any way inasmuch as he was along as an observer and due to the fact that he was a first-office Agent with approximately two weeks experience and no background information concerning the investigation. During this interview, Mrs. PAINE advised that she had been unable to obtain any additional information as to the current residence of OSWALD or how he could be located other than through employment.

For information of the Bureau, following determining the employment of LEE HARVEY OSWALD during the first interview, a pretext telephone call was made to the Texas School Book Depository and his address was furnished as 2515 West 5th, Irving, Texas, which was the address of Mrs. RUTH PAINE. Two copies of this investigation, as recorded in Dallas memorandum dated 12/9/63, were furnished to the Bureau on 12/9/63.

With respect to the specific question as to why I did not ask Mrs. PAINE if LEE HARVEY OSWALD had a telephone number, I did not do so as she had informed me she did not know where OSWALD resided or how he could be located. Inasmuch as she said she did not know how he could be located, I took it to mean he did not have a telephone.
